

## TROOP 1094 - COMMUNITY SERVICE

Scout Name:	
Date of Service:	December 22, 2004
Organization or Group:	Toys For Tots
Hours Performed:	5 hours
Description of Service:	<p>The scouts and families went down to Hamtramck to help with Toys For Tots. First, they went to the Harvest House to load a moving truck with all the toys. Then a leader drove the truck to St. Laddis Church / School. The scouts unloaded the truck and took the toys into a small, unused classroom. Then, the scouts had to sort all the toys into groups by age and sex. Next, they took applications from families and sorted them and made labels and attached them to large brown bags. After labeling the bags, they put them into lines by family. Once all 300 some bags were organized, the actual packing of the bags began. Each scout would take a bag and get an appropriate toy. This cycle continued several times until all the stuffed animals and toys were gone.</p> <p>Later that night, the Harvest House passed out the bags to families as they came to the church. We could not stay for this, but are planning an it for next year.</p>
Scout Leader(s)	Mr. Cox and Mr. Trastevere
